Who are we?

- We are genuine, engaged, and dedicated to achieving goals in a safe, strategic, and sustainable manner.
- We overcome obstacles, follow-through on our commitments, take pride in our work, and live our culture.
- We are professionals who believe in growth, inclusion, and diversity.
- We promote teamwork and open communications to inspire all stakeholders.

Position: **Community & Government Relations Manager**

i-80 Gold Corp is seeking a candidate to fill the position of Community & Government Relations Manager to sustain positive relationships with community members, nonprofit organizations, and fellow employees in order to cultivate a favorable operating climate for the company. The successful candidate will develop a strategy designed to make positive contributions to the local area while raising awareness for the company. The position will also serve as a point of contact for individual residents, business leaders and customers in the local area, communicating with individuals at various levels to discover issues and addressing pressing concerns.

Location: 5190 Neil Road, Suite 110, Reno, NV 89502 (with occasional travel to site locations)

Responsibilities

- Provide leadership, oversight, management, and support for the functional areas of the Community Relations Department
- Promote and implement the mine's community relations strategy, policies, and standards
- Ensure that community development initiatives are sustainable and based on a clearly spelled out objective and linked to the business case
- Manage the department budget and financial recording keeping
- Oversee reporting and performance management
- Develop appropriate systems to monitor, evaluate and communicate the activities of the Community Relations department
- Act as a key member of the site management team
- Ensure effective communication and understanding of how Community Relations issues and programs align with mine and company operations and priorities
- Liaise with key external stakeholders, including local government authorities, civil society and the media and traditional community leaders
- For the mine's external relations generally, help envision, initiate ideas, provide direction and take corrective action as required
- Partner with suitable organizations in order to address the real, long-term development needs of the local communities.
- Attract, develop, and retain a highly effective Community Relations team
- Ensure employees achieve their full potential through mentoring and training
- Work closely with consultants and external expertise as required
- Define performance objectives for each team member including individual development plans
- Demonstrate and coach teamwork.

Qualifications

- Bachelor's degree in sociology, economics, community development, regional planning, negotiation and conflict resolution or related discipline
- Minimum of five (5) years in management experience dealing with extractive industry external/ community relations
- Solid understanding of best practice in corporate social responsibility
- Specific expertise in one or more of the following: rural development, communications, government relations or interest-based negotiation/ mediation
- Strong computer skills
- Strong ability to coach and mentor others, both peers and subordinates
- Excellent oral and written communication skills

How to Apply:

Interested applicants may apply in confidence by emailing your resume to careers@i80gold.com. **Please reference the job position in the subject line and submit your resume in PDF format.** We thank you for your interest. Only those selected for an interview will be contacted.
