

The 3 Ships Program – Internship | Mentorship | Leadership

The i-80 Gold Ships Program focuses on three “ships:” Internship, Mentorship, and Leadership. Each of these “ships” is designed to help our next generation of miners through their educational journey by preparing students for professional success and providing a meaningful work experience in a caring, supportive environment.

Our interns have the unique opportunity to work at one of i-80 Gold's mine sites or the corporate office. The program also allows interns to develop invaluable professional relationships across the industry.

Qualified college sophomores, juniors and seniors apply, interview, and are selected for paid internships offering a robust summer experience including events, mentoring, team building and community service.

The Basics

Our internship program lasts 10 weeks, spanning early June to late August. Interns work 30- 40 hours per week and will be paid \$20 per hour. You must be a recent grad (no more than 1 year post grad) or a Rising Sophomore - Rising Senior to apply.

Marketing/Social Media: This Marketing internship position is for the i-80 Gold Corporate office located in Reno, Nevada. The Marketing Intern assists the communications and outreach team in their advertising and promotional efforts. Their main duties include completing clerical and administrative duties, building social media campaigns and content, and pitching new methods to highlight the company, culture, and people of i-80 Gold. The marketing intern should have a basic understanding of video editing and Adobe Suite proficiency.

Qualifications:

- Must be able to complete an internship lasting a minimum of ten (10) weeks.
- Must be enrolled in school for the Fall 2023 semester (proof of enrollment required) -OR-
- Must be a recent grad (no more than one year post grad)
- Must be able to pass i-80 Gold's pre-employment physical, which includes drug and alcohol testing.
- Excellent safety attitude
- Strong verbal and written communication skills required
- Ideal candidate will be interested in growing their career with a mining company focused in growing by exploring, developing projects, and operating mines.

Internship

As an i-80 Gold intern, you will be fully integrated into the team. You'll sit next to full-time staff and participate in company-wide meetings and activities. You'll also act as an ambassador for i-80 Gold and provide insight to other students about your internship experience, the industry, and our company. We want you to learn about us, and what we do, and then share that excitement with others. This includes participating in industry meetings, events, and outreach opportunities to highlight mining innovation. Interns will be asked to create a "Day in the Life" video to showcase their learning experience.

Mentorship

Each intern is assigned a supervisor and a workplace mentor to help navigate your internship, prioritize your work, and grow your skills. Your supervisor will provide constructive feedback to help you take on greater responsibility and assist you with your daily tasks. Your workplace mentor will provide you with an opportunity to network with people within the industry and help you define and plan for your career. Your mentor will remain available after your internship to continue to help guide you as you finish your schooling and enter the workplace.

Leadership

i-80 Gold is passionate about investing into the next generation of leaders. As you finalize your educational training and prepare to enter the workforce, your internship will help prepare you for an increased level of responsibility. Interns will participate in a professional development day which will include completing a DISC Leadership Assessment to better understand your leadership styles, mock interviews, and exit interviews. Interns will also present an end of the program presentation to the management team.

How to Apply:

Please refer to the Careers page on our website for instructions on how to apply. We thank you for your interest. Only those selected for an interview will be contacted.
