

**About Us:** i-80 Gold Corp is a well-financed gold producer and developer holding an impressive portfolio of advanced-stage gold projects in the State of Nevada. The Company's primary goal is to build a self-sustaining, multi-asset, mining company with a peer-best growth platform by employing a methodical, capital disciplined and staged approach to minimize risk while also assessing and monitoring for accretive growth opportunities. For more information about i-80 Gold please visit our website: [www.i80gold.com](http://www.i80gold.com).

**Who are we?**

- We are genuine, engaged, and dedicated to achieving goals in a safe, strategic, and sustainable manner.
- We overcome obstacles, follow-through on our commitments, take pride in our work, and live our culture.
- We are professionals who believe in growth, inclusion, and diversity.
- We promote teamwork and open communications to inspire all stakeholders.

**Position: Geotech**

The Geotech position will support the RC and Core drilling programs. Tasks include assisting in picking up drill core from drill sites and work-shop activities, including but not limited to preparing drill core for logging, cutting/splitting core with a diamond blade core saw, and bagging samples. Other activities include core/sample storage management, RQD, and use of a forklift.

**Location:** Lone Tree Mine – 29100 Lone Tree Mine Road, Valmy, NV 89438

---

**Key responsibilities**

- Demonstrate safety leadership and safety consciousness completing daily and periodic workplace inspections and field level risk assessments as necessary
- Cutting core samples and ensuring QA/QC and safety protocols are properly followed
- Labeling sample bags and chip-trays in coordination with geologists
- Accurately photograph drill core
- Retrieving sample bags from drill sites and transporting them to our facility in Valmy
- Participate in sample and supplies inventory/storage
- Other duties as assigned

**Requirements/Qualifications**

- High school diploma or GED
- Reliable transportation
- Valid Driver's license

**Physical Requirements**

This position will involve accompanied travel to remote locations in company vehicles, repetitive lifting of up to 75 lbs, and using power equipment (core saw, forklift). Work may take place in a high noise, wet, and potentially dusty environment (hearing and breathing protection will be provided). Walking/hiking in a field environment may be required, regardless of weather.

**How to Apply:**

Please refer to the Careers page on our website for instructions on how to apply. We thank you for your interest. Only those selected for an interview will be contacted.
